

The Cooking Lady's Mr. James Robert's Tight Hat Cocktail

Ingredients

- 1 fifth light rum
- 6 ounce can of limeade concentrate
- 13 teaspoons maraschino cherry juice
- 13 drops Angostura bitters
- 3 ounces water

What To Do:

Mix above together, use 3 ounces with some ice in a blender and blend well.

Mr. James says to drink freely after putting on a tight hat?!! Please drink responsibly, I think Mr. James was definitely from the old school. Maybe if you drank too freely, you'd need a tight hat to hold on to your head!!

Tip: due to the amount of alcohol used, this does NOT freeze, no matter how hard you try!
